## *How did we get here?*

*“Whoever causes one of these little ones who believe in Me to sin, it is better for him if a heavy millstone is hung around his neck and he is thrown into the sea.” ~ Jesus (Mark 9:42)*

So, a “heavy millstone” is a “better” fate for those who corrupt children than the fate Jesus actually has for them. **Ouch!** Child corrupters in our popular and political culture don’t think Jesus meant what He said. I think He did. Our current ruling class is toxic and abusive to children and Jesus’ concern must also be ours:

- Biological males use girl’s locker rooms & restrooms.
- Genital mutilation procedures are available for minors.
- Puberty blocking chemicals are too.
- Children are more isolated than ever.
- Children are human passports for illegal immigration.
- Taxpayers fund the slaughter of babies in the womb.
- Schools confuse kids with transgender agendas.
- The “Equality Act” pushed by Democrats is anti-Christian to its core.

In today’s America, children’s education and entertainment are corruptive. A “sexuality” agenda saturates public school curricula and it runs deep in our media. The innocence of children is super difficult to protect. Protect it anyway. I have seen this agenda in Hallmark movies, Disney productions, the Boy Scouts, schools, and (gasp) even some so-called churches. We have largely ignored Jesus’ millstone warning.

How did we get here? I believe this assault on the innocence of children is formidable because many of us have remained sinfully silent for too long. Speak the truth wisely and in love, but by all means, speak it and live it!
