Randy Thornton: 208-758-3289

DEACONS

Teens

Mark Whittaker-Fellowship

Tom Hill-Finance

Rick Richardson-Education

A Healthy However

“Nevertheless...” “even so...” “notwithstanding...” “yet... be that as it may...” “on the other hand...” and “however” are words and phrases we use to change gears in our message or to chart a new direction. Look for the healthy “however” below:

- If you want to hold on to old grudges, the Bible is not for you.
- If you want to have wildly popular opinions, the Bible won't help.
- If you like to think of yourself as better than others, put the good book away for good.
- If you want to relax your mind and let others think for you, keep God's word out of your mind and your life.
- If you want to be manipulated by the media and to think exactly like the popular culture thinks, stop reading the Bible now.

However...

- 🕒 If you want to open your mind to the wisdom of the ages, read the Bible.
- 🕒 If you want your relationship with God and with others to grow deeper, dive into the depths of scripture.
- 🕒 If you want to understand the will of God and seek it above all else with moral courage, read God's word faithfully.
- 🕒 If you want to cultivate love, joy, peace, and all the fruit of the Spirit, make Bible reading a top priority in your life. Warning: it will humble you.
- 🕒 To keep a firm grip on the hand of God for your life, stay in His word.

The Light
of Christ
